Re: 30-Day Post-Election Report following the General Election on 11/3/98 in the
State of Virginia
Boucher for Congress Committee C00178418

Dear Ms. McCarthy:

I am writing to file an amendment to the Boucher for Congress Committee's 30-Day Post General Election Report. In my haste to meet the December 3 deadline, I inadvertently sent a working copy of Schedule A Pages 11 through 16 for Line #17(a)(i) which contained incomplete information. In addition, I failed to include an itemization of a disbursement on Schedule B, Page 12 of 29 for Line Number 17.

Also, while reviewing the Committee's report, I discovered that the aggregate year-to-date totals for two individual contributors [listed under Schedule A Pages 124 and 135 of 146 for Line Number 11(a)(ii)] did not appear on the report when printed.

I am writing at this time to provide you with a corrected copy of these specific Line Numbers under Schedules A and B. (FYI, Schedule A Pages 1 through 10 for Line #17 are being provided merely to correct the page numbers involved.) For your information, the amendment does not change any of the Line Number totals involved.

I apologize for any inconvenience which these changes may cause, and I appreciate your assistance in associating the amendment with the Committee's report. I am working with the Committee's computer programmer to make the changes necessary to ensure that these omissions do not occur in the future.

Thank you in advance for your help. If you have any questions, please feel free to give me a call at (540)628-7197.

Sincerely,
